Dear Dr. Medina,

Thank you for your letter of January 18, 1995.  
In the past I have presented two times  
a description ~~of~~ and evaluation of the Dutch  
translation of the New World Translation

1. In: J. van Bruggen, <sup>(ed.)</sup> Wegwijs in Bijbel-  
vertalingen, 's-Gravenhage 1981, pp. 64-69
2. In H. J. Hollander (ed.), ~~de~~ Spectrum van  
Bijbelvertalingen, Zoetermeer 1994, pp. 71-77

These articles have a very critical ten-  
dency. In my view the New World  
Translation is an inadequate translation.  
The Watch Tower Society misuses my  
articles by quoting sentences without  
their context.

Yours sincerely,

C. Houtman
